

# School Transport

Hill House School is close to major regional routes, including the M18, M180, the A1M, and a short drive from the centre of Doncaster. It is a convenient journey from Worksop, Retford, Gainsborough and surrounding villages to the south, Thorne and Epworth to the north, and Rotherham and Sheffield to the west. There is plentiful parking at the School.

For parents wishing to use our dedicated minibuses, driven by our own members of staff, please see over for details. There are seven routes from convenient points: stops can be discussed with Derek Chadwick, our Facilities Manager, [dchadwick@hillhouse.doncaster.sch.uk](mailto:dchadwick@hillhouse.doncaster.sch.uk)
